Subject: Mr. Ove Brandt's recommendation for admission to the Master's program in Leadership and Strategic Management at Prague City University

Dear Members of the Admissions Committee,

Ove Brant is a student under my tutelage at Thomas More University of Applied Sciences for the course 'Digital Skills' and 'Business Intelligence Advanced' during his pursuit of a Bachelor's degree, with an expected graduation date in January 2024. In my capacity as a lecturer, I have closely observed Ove's academic progress, work ethic, and exceptional aptitude for the subject matter.

Ove has consistently demonstrated to be a fast learner of analytical skills in Excel and Power BI Desktop, showcasing a high level of data insight and sound logic. His ability to synthesize complex information and apply it to real-world scenarios is commendable. Ove's engagement in class discussions and collaborative projects reflects his strong communication skills and his capacity to work effectively within a team.

Beyond his academic achievements, Ove possesses a passion for leadership and strategic management, which aligns seamlessly with the objectives of your Master's program. His commitment to continuous learning and his proactive approach to staying abreast of industry trends make him an ideal candidate for advanced studies in leadership.

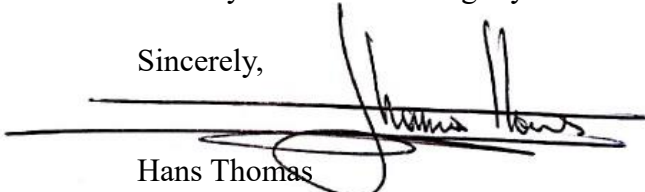

Moreover, Ove exhibits a strong sense of responsibility and dedication to his academic pursuits. I have witnessed his exemplary work ethic and diligence in meeting deadlines and other qualities that are crucial for success in a rigorous Master's program. His determination to excel academically, coupled with his passion for leadership, makes him a standout candidate for your esteemed university.

I am confident that Ove will meet (or even exceed) your expectations as a graduate student. His academic prowess, coupled with his genuine enthusiasm for leadership and strategic management, makes him an excellent fit for the Master's program at Prague City University.

If you require any further information or clarification, please do not hesitate to contact me at hans.thomas@thomasmore.be or +32 497 361791. I wholeheartedly endorse Ove's application and believe he will make significant contributions to your academic community.

Thank you for considering my recommendation.

Sincerely,

Hans Thomas
